

KBS Bank

Krishna Bhima Samruddhi Local Area Bank

Notice to Bank Valued Customers

Refund of Unclaimed Deposits

In terms of the guidelines of Reserve Bank of India, our Bank has transferred Savings/Current Accounts which were “not transacted/operated for 10 years” and term deposits “not claimed within 10 years” from the date of maturity to “Depositor Education and Awareness Fund (DEAF)” account, maintained at Reserve Bank of India.

The names of the depositors whose balances held with the KBS Bank and transferred to DEA Fund account along with address details have been placed in the Bank’s website under the menu **“Links” “Important information to customers” - “Unclaimed deposits search”**. We therefore request the customers to approach the Branch concerned for claiming such deposits if your name is found in the list.

Contact the Branch Manager for any other information.
